Acapulco When the Night Falls

When you hear the name “Acapulco”, what comes first into your mind? You probably might think about leisure and fun. Well, I won’t wonder if you’ll think about those things because Acapulco really has it. Yes, Acapulco has long been considered as one of the perfect destinations to go on earth for an ultimate vacation experience, and I may say that one of the major factors that contribute to this reputation is the vibrant kind of nightlife Acapulco has.

The nightlife in Acapulco has been considered as legendary. Yes, it is celebrated throughout the world and just like New York, Acapulco has been considered as the city in Latin America that never sleeps. This is basically for the reason that in Acapulco several activities are waiting for the travelers to partake all day and all night. The most intense and sizzling beat of the city happens just before the sun goes down and it continues till dawn. And, with a number of bars, discotheques and dinner dances available throughout the city, it’s no wonder that you could spend a number of weeks or even months in the city doing nothing more than experiencing the scores of such establishments.

It is further interesting to know that in Acapulco, the most sizzling nightlife starts late, around 11 o’clock in the evening and just ends early of the following morning. This happens almost every night and perhaps what’s interesting to know about the nightlife in Acapulco is that it is available for all ages, gender and race. It is even designed for all music preferences, and with a number of available establishments catering to this kind of service, you will surely enjoy a lively experience you’ll treasure for life.

How the Acapulco Nightlife Starts

As mentioned earlier, the nightlife in Acapulco starts late at night. But before the people engage in a wild disco, the nights in the city start giving you the chance to enjoy everything that the restaurants has to offer. If you want a gourmet meal, the restaurants in Acapulco have it. If you want an inviting and relaxing atmosphere, the restaurants also have it. Well, in Acapulco, you only have to name what you want, and you'll get it.

So, it is typical in Acapulco that before the partygoers indulge in wild dancing and drinking, they sip on ice cold cocktails and enjoy the locally prepared cuisine in one of the available fine restaurants. Speaking of cuisine, most of the restaurants in Acapulco offer a wide selection of different cuisines, ranging from Mexican, American, Caribbean, European, or Asian dishes. All of these choices are given for you to choose from.

And, perhaps what's nice to know about the fine dining areas in the city is that they offer not just a wide selection of mouth watering cuisines, but also an atmosphere perfect for the romantics and the socialites. The settings in most of these restaurants are romantic in the sense that they provide the breathtaking views of the Acapulco Bay at night. They are even set open-air, allowing the guests to enjoy a tropical climate while admiring the views of the bay and the wonderful night sky.

The moment they finish their fine dining, that's when the pulse of the Acapulco's dazzling nightlife starts to beat so fast.

Where to Go for a Great Nightlife Experience

There are a number of choices to consider when it comes to nightlife in Acapulco. On weekends year round, the city is alive with flashing lights and music pumping out of every establishment, particularly along the main strip as well as in Las Brisas. In these areas also, you'll get to see people with different personalities enjoying the night with their peers. Drinking and dancing are so common, but there are some establishments, however, which offer only a set of piano music enjoyed by those who love a much silent and relaxing ambiance.

Now, if you want to know exactly where in Acapulco you can find the more exciting nightlife, I have mentioned below two of the most popular hubs for the sizzling Acapulco nightlife: discos and bars. Just read on and consider the details mentioned below for this may help you find the perfect establishment to go when the sun in Acapulco goes down.

Here are your choices:

Acapulco Discos

Acapulco is one of the major destinations on earth where a number of great discos dwell. Yes, in the city, you'll get to see people entering and exiting from the discotheques where an exciting nightlife action happens. You can hit one of these discos maybe on Friday or Saturday nights, but be ready and don't expect to go to sleep until 6 o'clock in the morning.

Most of the discos in Acapulco charge the partygoers an entrance fee which remains the same throughout the year. Typically, the discos in the city cost around US\$30 to US\$35 for men and US\$25 to US\$30 for women. Well, this price sounds expensive, right? But don't worry because such range includes all that you can drink. Yes, I said "ALL", so be ready for it.

It is further interesting to know that most of the discos in Acapulco open at 11 o'clock in the evening and they only close at around 6 o'clock in the following morning. So, ready yourself to be awake for about seven hours of enjoyment.

Note: In Acapulco, there are some instances when the discos are overcrowded, with huge lines of people waiting to be entertained. If this happens to you, prefer to transfer and try a different disco because if you won't transfer, chances are you will wait a long time outside. Worse is that the discos will be too crowded to get served and entertained inside.

Acapulco Bars

The bars in Acapulco, only with few exceptions, appear to be similar to those found elsewhere in the world. One of the common characteristics between the bars is that there is much live music. Other than that, most of the Acapulco bars display some kind of spontaneous dancing. This action may occur either at the center of the bar or on top of the bar, which happens occasionally though.

It is also usual in Acapulco to find bars that are built with open-air. This kind of atmosphere is most common in the bars located along the Costera. Perhaps what's nice to know about these establishments is that many are located just walk away from another, giving you the chance to bar hop easily if you wish. If you prefer to mingle with the locals, then go to those bars frequented by the local population. You can party there to your heart's content.

Indeed there are a lot of options to consider when it comes to Acapulco nightlife. No matter what you prefer, just make sure that the disco or bar you are considering can provide you the best experience possible.

The Best Discos and Bars

As you may have been told, there is a countless of choices to consider for an ultimate Acapulco nightlife. Discos and bars are just two of the common choices. But if you want to know what particular discos and bars are well-known throughout Acapulco and Mexico, then I found no reason for you not to consider the following details. After all, I have mentioned below some of the most frequented nightlife hubs in the city that could give you the best Mexican nightlife experience you'll ever have. If you are serious with your aim, then read on.

- ***The Palladium*** – Heard about the Palladium? Well, in the city of Acapulco, Mexico, the Palladium is actually the largest and the best disco bar available. It has been considered as the center of Acapulco nightlife and it is where most of the crowd in Acapulco goes.

The Palladium basically features breathtaking views of the surroundings, and it boasts good music that fills the air every night. It is run by friendly and highly accommodating bar staff and they maintain until now a decent layout to meet new crowds. It is further interesting to know that Palladium, unlike the other nightclubs in Acapulco, makes all the actions mind blowing especially when the clock hits 4 o'clock in the morning. This is actually the time when the top rated disco in Acapulco happens. Well, this is very much common during the regular weekdays, but on holidays and weekends, you must expect Palladium to be crowded. You can even see people lining outside, waiting for their chance to be served and entertained inside.

Palladium remains as the center of Acapulco nightlife until these days. What is notable about this nightclub is its waterfall that cascades down from the dance floor level. The dance floor of Palladium is surrounded by 160 feet wide windows and it overlooks the Acapulco bay, giving the dancers the eerie sense of being perched in mid air. Palladium now offers

European and New York style of house music along with some sorts of hip hop and the latest hits.

- ***Baby 'O*** – Of the existing nightclubs in Acapulco, Baby 'O is the one considered as the perfect hub for social elites. Well, this reputation actually results from the club's having the classiest and well-dressed clientele lounges and dances set in a jungle-inspired interior. It has a smaller space though and you may find it hard to get in and get a table. But, if you want to see and be seen by the other elites, Baby 'O is the perfect place to go. At this portal, you can hear dance music, including some tunes of the 80s. It opens its doors even to selected nonmembers, but this is also the most expensive and exclusive place to go for a night out. If you are planning to go there, note that Baby 'O is closed from Monday to Wednesday during the low season and the price range may be around \$30 to \$60, not including the drinks.
- ***Alebrije*** – This is but another popular disco hub in Acapulco. Second to Palladium in size, Alebrije is so huge that it can accommodate up to 5,000 people in its love seats and booths. It mostly attracts the younger crowds, and the most exciting action starts here from 10:30 to 11:30 in the evening. However, that time, the music is slow and romantic, making the place perfect for the lovers. Afterwards, dance music and light shows are presented which typically lasts until dawn. The music in Alebrije ranges from Spanish rock, salsa, meringue, and the American hip hop and pop.
- ***Enigma*** – Formerly known as Extravaganza, the Enigma features an ultimate light, sound and a sense of sophistication in the first place. This hub is often frequented by both young and adults and what sets this place great is that it offers the breathtaking views of the Acapulco Bay. Aside from that, Enigma boasts a sumptuous Egyptian theme that is inspired by pharaohs. It was further reported that Enigma can accommodate up to

700 people on its central bar and comfortable booths, and the music played at this bar features enough of a mix, which is basically made available to provide something for everyone. The party in the place usually starts at 10:30 in the evening.

- ***Andromeda*** – Several reviews have it that Andromeda is one of the magnificent places to go for a taste of Acapulco nightlife. Well, this place basically offers a unique setting for everyone. In the first place, you will enter via a torch lit moat that leads to the Queen of the Sea's Castle. Once inside, you will feel a sense of being in a submarine surrounded by mermaids. Yeah! That's what the setting in Andromeda provides. It is also common in this place that you'll see teens age 18 to 25 dancing to the best of the latest techno sounds. Andromeda is open daily from December to April and on weekends only on May to November.
- ***Zucca*** – This is but another popular dance club in Acapulco that accommodates people ages 25 and above. Zucca is situated on the hill of Las Brisas and those who often visit this place really dress up well. The men are usually seen in well-cut pants and collared shirts, while the women are seen in cocktail dresses. Aside from that, Zucca is noted for its music that usually varies from the hits of the 60s, 70s, 80s and the 90s. It allows the people to enter and enjoy everything that it has to offer at around 11 in the evening from Wednesday through Saturday during the high season, and Thursday to Saturday in low season. What is nice to know about this place is it offers fireworks display at 2 in the morning.
- ***Salon Q*** – Known as the Cathedral of Salsa, Salon Q features a combination of dance hall and disco. Here, the bands play salsas, meringues, and other Latin rhythms that are deemed perfect for both the young and adults. It is also here where impersonations of the Mexican entertainers are shown.

There are a lot more discos and bars in Acapulco that can provide you the best of the Acapulco nightlife. Each of these nightclubs, as you may notice, presents a character that is somehow unique from the others, and each caters to the people's specific needs. So no matter what kind of nightlife you want to experience in Acapulco, make sure that you've considered the right place. Perhaps the best move you can make to know which of the available nightclubs in Acapulco will best suit your needs is to read certain reviews. These reviews can be found online, after all. So start your search as early as now.

But before you go and search for certain reviews online, note that the Acapulco's dazzling and vibrant nightlife is actually the reason that many people from near and far away places come to Acapulco, especially during the holidays. As what many have said, nightlife is the best in Acapulco. So get there and sample it for yourself.
