Top Five Things To Do in Acapulco

Top Five Things to Do in Acapulco

Known throughout Latin America and the world as the Pearl of the Pacific, Acapulco has maintained a reputation so great that other places in the Pacific, Caribbean and the Atlantic can't match. It is deemed as one of the best places on earth blessed with all the bounties of nature – white sand beaches, turquoise waters, lush mountains, a fine weather, and a vibrant lifestyle that attracts locals and tourists alike. And, perhaps what's best about Acapulco is that it is peopled by citizens who are nice enough to greet and make you feel like you are at your own home.

Acapulco really has a lot to offer. Just like New York, it is deemed throughout Latin America as the place that never sleeps. Several exciting and enjoyable activities await the travelers, from sunset till dawn and from dawn till sunset, and it is this myriad of activities actually that makes Acapulco the most important tourist destination in Mexico.

As stressed, there are a lot of things to do in Acapulco. From the mountains down to the beaches, or from the beaches up to the mountains, a lot of wonderful things await the travelers. There are the water and land sports, great shopping, unique nightlife, fine dining and comfortable accommodations; all are given to delight every vacationer and to make them return if possible.

Now, if you are curious enough to know what these wonderful things to do in Acapulco are, well, start throwing all your worries now. I'm here to give you the top five things to do in Acapulco that you might like to consider on your own travel. What's nice to know about these wonderful things to do in Acapulco is that they are all available all day and all night. With this, it's no wonder that people from near and far away places come to Acapulco just to enjoy and experience everything that it has to provide.

To know all about these things, just consider the following:

#5: Shopping

When it comes to shopping, Acapulco will not surely leave you wanting for something. Whatever you wish, you'll get it, and Acapulco might even surprise you with a list of things you can find available on their shopping centers. Yes, in Acapulco, you can find everything from designer items that will best compliment your home to original designer dresses that you'll love to wear wherever you may go.

If antiques or vintage items are your preference, Acapulco can also give you a number of options to choose from. It only demands a little searching, and this is also true with some of the items that are so unique but is considered in Acapulco as just a normal resort fare.

Well, what is very nice to know about shopping in Acapulco is that the prices of the items available in the city are lower than those of the other Mexican resorts. And, with the place's two modern malls that are both air conditioned, plus the endless line of shops, open-air markets, and smaller shopping centers to choose from, finding whatever it is you are seeking along with a great number of unique gift items can be so easy.

#4: Dining

Dining in Acapulco is such a great experience. A lot of options are available out there for you to choose from. Restaurants and grills are in fact offering a wide selection of cuisines to suit every palette, ranging from the native Mexican cuisine, American, Caribbean, Spanish, Italian, Chinese, Asian, and a lot more.

With all these choices, it's no wonder that you'll get to find the best dining hub that will best suit your needs. And, to give you an idea of where exactly to dine in Acapulco, I have mentioned below a few of the worth recommending restaurants that you might like to visit in. Consider the following:

- ***Carlos'n Charlie's*** – If barbecue is your favorite, Carlos'n Charlie's can be your best option. This restaurant is noted for its barbecue ribs that are said to be delicious, plus its lively atmosphere that accommodate people as comfortable as possible.
- ***Hard Rock Café*** – If you want a taste of London and New York, Hard Rock Café can be your perfect place to dine. This restaurant is actually one of the most well-known restaurants in Acapulco, and has been considered as one of the best places to stay and dine for a great menu that will surely satisfy every man's hunger.
- ***Baikal*** – Known for its avant-garde style, Baikal is a popular restaurant in Acapulco that offers a wide selection of international cuisine. They boast exotic Asian decors and they have maintained a pond and a waterfall that surround the entrance, making the place ideal for the romantics. Aside from that, Baikal is noted for its unique design that conveys a sense of sensuality and harmony combined with the elements of nature such as stone, wood, water and light. Several reviews also have it that unlike the other restaurants in Acapulco, Baikal has spacious windows that provide the place a reflection of the wonderful bay. And, in terms of what their menu has to offer, you'll be delighted by their choices of French, Mediterranean and Asiatic cuisine.
- ***Mezzanotte*** - Italian cuisine has been a favorite in Acapulco, the reason that restaurants offering a wide selection of Italian cuisine were established. Of the Italian restaurants available in Acapulco, Mezzanotte

sets a difference. Many have considered this place as the perfect hideaway for the exclusivity lovers. It is also here where business men and women meet for business meeting, presentations and events. And, perhaps what's nice about Mezzanotte is that they serve their exquisite Italian cuisine in a casual atmosphere.

- ***Kookaburra*** – An elegant and casual environment set in a private terrace with the breathtaking views of the Acapulco Bay is what makes Kookaburra one of the worth visiting restaurants in Acapulco, Mexico. Here, you will be delighted with the original gastronomic creations with Mexican ingredients that are prepared in a French style. It is this style actually that makes this restaurant unique from the others.

There are a lot more restaurants, grills and bars in Acapulco that offer special dishes and special features that make them worthy of recommendation. Each has its own style, but all offer the best selection of cuisines you've never tasted in your whole life.

#3: Nightlife

Acapulco has a reputation of being a city that never sleeps. Well, this is mainly for the fact that Acapulco has a vibrant nightlife that will surely keep your eyes open and leave you energetic and alive all night long. Yes, Acapulco is a party town when the sun goes down. It boasts a number of dazzling discos, bars and clubs that all feature a Las Vegas-Mexican style atmosphere, minus the gambling. It is with this kind of environment that Acapulco is considered throughout Mexico as the number one choice for party lovers.

The nightlife in Acapulco starts to sizzle late at night, around 11 o'clock in the evening, and ends only when the sun starts to show up. So don't expect much

action in the many discos until that time, and when you go there, be ready to stay until sunrise or even later. With this kind of lifestyle, it's no wonder that early risers find it usual for them to see the last groups of party lovers on their way home early the next morning.

Note that the entertainment in Acapulco varies differently. Some establishments offer wild discos, while there are others that serve only as piano bars for those who love to listen into the relaxing sound of the piano while watching the pianist maneuvering the keys. There are also some that offer tropical extravaganzas, live shows and concerts.

For much emphasis, I have mentioned below three of the most well-known lively hubs perfect for a kind of Acapulco nightlife. Try to visit these hubs on your vacation to Acapulco.

- ***Palladium*** – If a taste of modern and youthful atmosphere is what you are looking for in a nightlife hub, Palladium is your best choice. For long years, this place has been considered as one of the best disco pubs operating in the city mainly for the reason that it is located at the highest part of the Las Brisas area, on top of the mountain, giving it the chance to provide one of the best views of the Acapulco bay. Palladium also guarantees you to have a great time with a lively modern music that will surely keep your feet moving. It has a heavenly dance floor that is half-framed by glass windows, allowing you to enjoy and be awed by the beauty of the port at night. Laser-lights and air stream are also familiar with this place. Today, Palladium is considered as the largest discotheque in the city that it accommodates people of approximately one thousand.
- ***Baby'O*** – Known for its sophisticated ambiance, Baby'O is but another popular nightclub in Acapulco that is often visited by celebrities from the singing and acting world. It is considered as one of the most exclusive

discos in the city and its atmosphere always boasts a partying crowd. What's more, Baby'O has the top quality facilities and it can accommodate people of approximately 250. And, just like the other lively nightclubs in the city, Baby'O plays all types of music, including a heavy sampling of the latest hits.

- ***Extravaganza*** – Located on the side of a mountain, the Extravaganza is a nightclub that offers a chrome-and-neon disco. As such, it's no wonder that you'll find a neon light show on your visit there. Aside from that, Extravaganza boasts a unique interior with a sunken dance floor that draws party lovers in. The place even offers the panoramic view of the Acapulco bay, adding a sense of beauty and excitement to your night game.

It is important to note, however, that in Acapulco, a 5 o'clock in the morning traffic jams are common on weekends. This is more common along the Condesa area of the Costera. So watch out for that.

#2: Golf and Tennis

For those who consider tennis or golf as their game, Acapulco is one of the perfect places on earth to go for a memorable golf and tennis game. One main support for this claim is the fact that the city is the home to four championship golf courses and another nine-hole course that is nestled just right in the tourist zone. Note also that these championship golf courses are located to the south of the town, specifically near the airport. So if you are staying in town, you need to take a short trip to the south for that championship game of your life.

However, if it happens that you are on a tight schedule, Acapulco offers you two of the championship golf courses to play at: the Acapulco Princess and The Pierre Marques. These courses connect each other and one of them can be played

within minutes of finishing the other. Don't also forget the Mayan Palace or the Tres Vidas, which are the most southerly of the Acapulco golf courses. The latter is said to be an incredibly wonderful place to play golf as it is built along a shoreline of the Pacific Ocean.

For the tennis junkies, Acapulco has the best choices for you. One of the most well-known tennis courts is located at the Mayan Palace and it was built with the modern design. Also, it is located directly adjacent to the Mayan Palace golf course, giving you the chance to play golf in case you get tired of tennis. There are also a number of other locations perfect for a championship tennis game. There is the Campo de Golf and Tennis on the Ave. Costera M. Aleman, which is but available for rental. This tennis court is open to the public and is highly accessible knowing that it is located just within the Acapulco proper.

So if you love tennis and golf, don't ever miss those places on your visit to Acapulco, Mexico.

#1: Water Sports and Adventures

In Acapulco, the term "water sports" is but a very popular term. Everybody in Acapulco utters it. In fact, water sports have been considered as a way of life in the city. Well, this is perhaps due to the fact that Acapulco has the best waters perfect for all kinds of water sports, be it parasailing, wave running, boat peddling, banana ride, or surfing. With this, it's no wonder that everywhere in the town you'll get to see sailboards and sailboats available for rent. There are also some glass bottom boats that pull right up on the beach to pick up their passengers. And, what is best to know about the place is that there is no need for you to go far from the beaches just to enjoy your favorite water sport. Everything is offered directly from the beaches.

One of the most well-known water sport adventures in Acapulco is the so-called “cliff diving”. Many have considered this as one of the most heart stopping entertainments offered by Acapulco. This has been practiced for generations with brave young divers hurled themselves off the majestic cliffs jutting out over the Pacific Ocean. They usually do these awesome stunts at La Quebrada where you can also enjoy a fine dining while watching the fearless fellows dive into a narrow inlet where huge waves enter and crash over the rocks. Of the available entertainment and activities in Acapulco, this is but one of the not-to-be-missed.

Windsurfing, water skiing, snorkeling, and scuba diving are also popular in Acapulco. Locals and tourists alike participate in these activities and with their number rapidly growing, more and more rentals are becoming available in Acapulco these days. The windsurfing rentals, for instance, are available at a number of places in the city, including El Colonial and Boca Chica Hotel. Just like cliff diving, these water sports adventures are really a must-see. So on your visit to Acapulco, don't forget to set your schedule for these terrific activities.

So that's said. Acapulco is indeed a vacation destination that is worth visiting. It boasts and offers a number of great entertainments for everyone, regardless of your age, taste or interest. Everyone can shop, dine, party, play golf or tennis, or engage in their favorite water sports at any time of the day or night.
