Where to Stay in Bermuda

Where to Stay in Bermuda

Bermuda is a British territory that lies on the North Atlantic Ocean, around 640 miles off the coast of the United States. It has long been deemed as a perfect destination for an ultimate vacation. It is one of the best paradises on the Atlantic that has gained popularity for over a number of centuries now due to its wonderful setting coupled with the warmth and hospitality of its people.

Bermuda, for centuries, has been visited by tourists from around the world. Many of those who have come to the island have already witnessed everything that Bermuda has to offer – pink sandy beaches, historic buildings, lush flowery gardens, great accommodations, rich culture and tradition, and welcoming people who always greet you with smile on their faces. With all of these best assets, it's no wonder that Bermuda is now featured in certain magazines as one of the top ten vacation destinations on earth.

Now if you are new to this place and you've got that interest in you to discover what lies in Bermuda, then I bet you want to know where basically on the island you can stay while enjoying what it has to offer. The good news is, finding the best places to stay in the island is pretty easy and simple with lots of accommodations available out there for you to choose from.

Yes, you heard me right. Bermuda offers you a number of great locations that can accommodate you with everything you'll need. The number of these great accommodations is even rapidly increasing with more and more people from near and far away places coming to Bermuda just to spend their holidays or to exchange their vows as husband and wife. It is with this increase that choosing which of the accommodation available is best for your needs becomes easy. And, note that many of these places to stay in Bermuda offers you not only comfortable accommodations, but also access to the beautiful sceneries around, ranging from

the beautiful sunsets, the pink sandy beaches, lush green gardens, and the pristine waters of the Atlantic.

So now if all of these Bermuda assets appeal to you most, and you are serious with your search on the best places to stay in Bermuda, then I found no reason for you not to read on.

I have actually mentioned below some of the top rated hotels and beach resorts that could provide you with the best accommodation you'll need while in Bermuda. These locations are chosen based on how they are rated by their customers. And, note that I have compiled all of these places just to give you an idea of where to stay in Bermuda.

Let's start.

Top Rated Hotels and Beach Resorts in Bermuda

Rated #1: *Fairmont Southampton*

Nestled atop Bermuda's highest point, the Fairmont Southampton is one of the island's most luxurious and largest properties. It provides easy access to the picturesque Atlantic Ocean, the bay, and its own pink sand beach that is located just in front of the hotel. Much worthy to note is that the beach privately owned by this property is sheltered in a jagged cove that is studded with rocky outcroppings that is often lashed by the tides, and even the rip tides. Aside from that, Fairmont Southampton offers you bedrooms that are revitalized with English inspired and modern decors with a taste of glossiness on it.

Fairmont Southampton offers a wide selection of dining options for their guests and even to those who are not staying there. You can jazz up your day with a perfect breakfast in the Windows on the Sound while enjoying the scenic views

around. You can even enjoy your lunch on the beach right at the Cabana Bar and Grill while watching people enjoying the pool at the Wickets Brasserie. For your dinner, you can go to Bacci and enjoy its contemporary Italian cuisine, or to the Whaler Inn which is highly noted for its tasty seafood. There are also the Waterlot Inn and the Newport Room to give you what you'll need to eat.

Much to that, the Fairmont Southampton beach resort and hotel offers you an impressive array of recreational facilities for you to use and enjoy during your free time. There are the Theodore Robinson-designed golf course, the six tennis courts, the Willow Stream Spa and Fitness Centre, Dive Bermuda, Sea Venture Water Sports, an outdoor pool, and a private beach. Whatever your choice is, you are guaranteed to get the ultimate vacation experience you never had before.

Rated #2: *Elbow Beach Resort*

If the finest and most complete beach resort and hotel is what you are after, then Elbow Beach is the best option for you. This hotel is actually situated just above the well-known Elbow Beach. The main building was first built on 1908, but several works and renovations already took place since that year. Today, this full-service Bermuda hotel offers 131 rooms for their guests, including 104 cottages, suites and garden rooms that are all dotted around the 50 acres of landscaped gardens. All of these rooms are well-equipped with the best facilities and amenities ever, including air conditioning, internet access, cable television, radio, iron and board, umbrella, hair dryer, and even a mini-bar.

Aside from the accommodation, Elbow Beach hotel also offers a number of dining options for you to consider. In particular, there is the Seahorse Grill which is acclaimed for its contemporary Bermudian cuisine, and there is also Lido which is deemed ideal for those who love Mediterranean-inspired seafood.

For the casual diners, Elbow Beach also has a wide selection of restaurants and bars to suit your needs. You can enjoy your free time at Mickey's Beach Bistro or

at The Veranda Bar which serves cocktails and a selection of light snacks. More choices are available, including the Seabreeze Café, Blue Point and the poolside restaurant.

Just like the Fairmont Southampton, Elbow Beach also offers a number of facilities for their guests. Included in the list are the three private golf courses in Bermuda: Mid Ocean Club, Riddell's Bay Golf and Country Club, and the Tucker's Point Club. There is also the 5 tennis courts with Plexipave surface in which two of these courts can be lit at night for people to use. A Kid's Club is also available for the children to enjoy, and this facility is what shows how perfect the Elbow Beach for families.

Rated #3: *Fairmont Hamilton Princess*

Named after Princess Louise, the daughter of Queen Victoria, Fairmont Hamilton Princess was first opened in 1885, making it one of the historic existing establishments in Bermuda. This hotel specifically offers about 410 rooms and suites that come in a variety of forms. And, perhaps what sets this hotel unique from the others is that it was built with a hotel within it. Yes, Fairmont Hamilton Princess hotel has Fairmont Gold Floor, a hotel built within a hotel.

As a top rated Bermuda hotel, Fairmont Hamilton Princess offers a number of complimentary facilities for their guests. Included in the list are the fitness center with 9 stations multi-gym, 2 outdoor pools, 2 saunas and a day spa, 3 private gold courses of Bermuda, and Dive Bermuda which offers diving for all abilities.

Fairmont Hamilton Princess is popular in Bermuda as an ideal location for business matters. This is perhaps due to the fact that in this hotel, a business center is available. The center is actually located in the grand marble lobby of this hotel, and what makes this facility best is that it was built to offer the standard services like binding, lamination and equipment rentals.

Rated #4: *The Reefs*

Unlike the above mentioned hotels, this property is pretty small, yet luxurious. It is nestled on a cliff overlooking its own private beach. Also, it is worthy to know that in 2005, The Reefs was voted as the World's Best Hotel Value in the Caribbean, Bermuda and the Bahamas by the readers of the Travel and Leisure magazine.

Although not so large to occupy thousands of guests, The Reefs offers a good selection of comfortable and luxurious guest rooms. There are cottages available for those who are looking for a sense of solitude and privacy, while the other accommodations greatly vary depending on where they are situated. For instance, the cottages are located away from the main buildings, but there are also accommodations available for those who love the scenic ocean views. What's more, all of these rooms are well-equipped with the necessary amenities.

A multitude of dining options are also out there available for you to choose from. The Reefs particularly offers indoor dining at Grill 56 or an al fresco at the Ocean Echo Terrace. You can also enjoy a good sip of your favorite drink at the Coconuts beach bar and restaurant. And, if you want a refreshing dip on the pool, The Reefs offers you its freshwater infinity pool that was designed to soothe every swimmer.

Rated #5: *Pompano Beach Club*

Finally, here's Pompano Beach Club to give you a perfect location for the whole family. Just like The Reefs, this hotel top rated hotel is just a small property that is owned by a family. According to its history, the Pompano Beach Club started as a fishing club in which its member go out to catch fish and upon returning they will cook their fish for a wonderful dinner.

Being built as a fishing club, the Pompano Beach Club remains on its aquatic roots. Although it is now considered as one of the best beaches in Bermuda, many are still referring to it as one of the island's best beaches. Well, this is basically due to the fact that until now, Pompano Beach Club is situated just near the beach that boasts a shallow sandbar. With this kind of setting, it's no wonder that most of the guests in this hotel enjoy wading out nearly 300 yards of warm waters that do not rise above chest height.

What's more interesting to know about the Pompano Beach Club is that it is equipped with a number of great facilities perfect for both adults and children. There are the heated pools, the children's pool, and 2 outdoor Jacuzzis. The guests are even given the chance to enjoy the hotel's complementary tackle and bait for memorable shore fishing. A water sports center is even available for the guests to consider and enjoy.

Today, the Pompano Beach Club boasts its newly built fitness center that is equipped with cardiovascular equipments and weights. This center is situated with the spectacular ocean views, making your workout truly less tedious and exciting.

There are a number of other top rated hotels in Bermuda. Each features great accommodations, along with the best facilities and amenities possible. However, since they differ according to their location, features, and who owned them, it is best to choose exactly the place that can answer all of your needs. Choosing the best hotel in Bermuda is perhaps one of the best moves you can take prior to your trip.

So, how to choose the best hotel in Bermuda? Here's how.

Choosing the Best Hotel in Bermuda

When choosing the perfect location to stay in Bermuda, it is necessary to note everything that is involved in this kind of venture. Consider your budget, your desires, the location, the features, and of course the security available.

Set the Budget

Before you go and decide on a Bermuda hotel, it is best to plan and set your budget first. Think of how much you can afford for your stay. Simply consider the length of your stay and possible expenses you may need. If you want a place that could give you a full service, then expect to pay higher than what you think. Perhaps the main key to determining how much you can afford is simply to know the possible rates offered by the hotels. But, don't just settle specifically on that rate, as there are some instances that these rates may change. To find the best one, ask for some recommendations from your friends or read reviews about the Bermuda hotels online. Make sure that whatever you pick up meets your budget.

Consider What You Want

Many tourists who visit Bermuda choose a hotel based on what they really want. Well, this is a good move to start your search for the perfect place to stay in Bermuda. So when choosing a place to stay, ask yourself what you really need from a hotel. Do you want an elegant setting? A luxurious setting? An oceanfront hotel? Do you want a sense of privacy and solitude? Well, answer all your questions in mind and choose the location that meets your needs.

Look at the Hotel Features

This is pretty self-explanatory. All you need to do to find the ideal place to stay in Bermuda is to know everything that the hotel offers. See to it that the hotel of your choice has all the amenities and facilities you'll need for an ultimate living.

Consider the Level of Security

As you may know, security does matter. This is highly needed wherever you may go. So to make yourself comfortable while taking your vacation in Bermuda, make sure that you are secured wherever you are stationed. If you choose to stay in a hotel, choose the one that makes you feel secured and comfortable as possible. Don't put yourself into a situation that you think will make you feel worried. So consider the level of security that the hotel offers.

So that's said. Are you now ready to visit Bermuda and spend your holiday there? If so, then start booking your stay in the hotel of your choice.
